A Home Inspection is not a home warranty, guarantee, insurance policy or substitute for real estate transfer disclosures.

SCOPE OF INSPECTION

The scope of the inspection and report is a limited visual inspection of the general systems and components of the home to identify any system or component listed in the report which may be in need of immediate major repair as of the day of the inspection only. The inspection will be performed in compliance with N.A.C.H.I. standards of practice, a copy of which is available upon request or at: www.nachi.org.

OUTSIDE SCOPE OF INSPECTION

Any area which is not exposed to view, is concealed, or is inaccessible because of soil, walls, floors, carpets, ceilings, furnishings, or any other items that block the view is not included in this inspection. The inspection does not include any moving of items, destructive testing or dismantling.

Whether or not they are concealed, the following are OUTSIDE THE SCOPE OF THIS INSPECTION:

- Private water or private sewage systems
- Saunas, steam baths, or fixtures and equipment
- Radio-controlled devices, automatic gates, elevators, lifts, dumbwaiters and thermostatic or time clock controls
- Water softener / purifier systems or solar heating systems
- Freestanding appliances, security alarms or personal property
- Adequacy or efficiency of any system or component
- Prediction of life expectancy of any item
- Zoning ordinance violations and local codes
- Geological stability or soils condition
- Structural stability or engineering analysis
- Termites, pests or other wood destroying organisms
- Asbestos, radon, formaldehyde, lead, water or air quality, electromagnetic radiation or any environmental hazards
- Building value appraisal or cost estimates
- Pool or spas bodies and underground piping

(Some of the above items may be included in this inspection for additional fees - check with your inspector)

Your inspector is a home inspection generalist and is not acting as a licensed engineer or expert in any craft or trade.

If your inspector recommends consulting other specialized experts, client should do so at client's or seller's expense and will not hold the inspector or Georgia Home Pros liable for any cost.

Any estimates for repairs, if requested, are strictly verbal "ball park" prices. We suggest you get at least 3 written "firm prices" from contractors of your choosing. The Code of Ethics does not allow us to recommend any specific contractor.

I HAVE READ AND AGREE TO THE ABOVE SCOPE OF INSPECTION.
